DESIGN BRIEF

Company Name:
Round Molasses

डिज़ाइनर

Company Description:

We are a company that makes and distributes Indian snacks. Our main product is made with a secret recipe and served in 5-star restaurants across the nation. Our target audience is seniors. We want to convey a sense of mystery, while at the same time being business-like.

Job Description

You must create packaging for the company's main product. They want you to make the contents visible, and make sure you don't use any text. They would prefer a trendy design, and would like you to use the brand color, which is green. Take into account the client's preferences and values.
